1. Policy Introduction and Purpose Statement

- 1.1. Providence Learning Partnership's (Trust) Charges and Remissions Policy is designed to outline the financial responsibilities and allowances within our school. This Policy ensures transparency and fairness regarding charges for activities, services and any remissions available.
- 1.2. At Providence Learning Partnership we aim to:
 - Have robust, clear processes in place for charging and remissions.
 - Clearly set out the types of activity that can be charged for and when charges will and will not be made.
 - Offer a range of activities and visits whilst minimising the financial barriers that may prevent some students from taking full advantage of these opportunities.

2. Legislation

- 2.1. This Policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449 to 462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their Funding Agreements.

3. Definitions

- 3.1. **Charge:** a fee payable for specifically defined activities.
- 3.2. **Remission:** the cancellation of a charge which would normally be payable.

4. Roles and responsibilities

Trust Board

- 4.1. The Trust Board has overall responsibility for approving the Charging and Remissions Policy. The Trust Board has delegated responsibility for monitoring the implementation of the Charging and Remissions Policy to the **Finance, Audit and Risk Committee**.

Chief Operating and Finance Officer

- 4.2. The Chief Operating and Finance Officer is responsible for ensuring staff are familiar with the Charging and Remissions Policy, and that it is being applied consistently.

Staff

- 4.3. Staff are responsible for:
 - Implementing the Charging and Remissions Policy consistently.
 - Notifying the Chief Operating and Finance Officer of any specific circumstances that they are unsure about or where they are not certain if the Policy applies.
- 4.4. The school will provide staff with appropriate training in relation to this Policy and its implementation as appropriate.

Parents/carers

- 4.5. Parents/carers are expected to notify relevant staff or the Chief Operating and Finance Officer of any concerns or queries regarding the Charging and Remissions Policy.

5. Where Charges Cannot Be Made

5.1. Below we set out what we cannot charge for:

Education

- Admission applications.
- Education provided during school hours (e.g. teaching, the supply of materials, books, instruments or other equipment).
- Education provided outside school hours if it is a compulsory part of a syllabus for a prescribed public examination that the student is being prepared for at the school.
- First entry to a prescribed public examination for which a student has been prepared for by the school.
- Examination resit(s), if the student is being prepared for the resit(s) at the request of the school.
- Examination remark(s), if the remark is being requested, with permission from the student, by the school.

Transport

5.2. We cannot charge for:

- Transporting registered students to or from the premises where students are being prepared, as part of their syllabus, for a prescribed public examination.

Residential visits

5.3. We cannot charge for:

- Education provided on any visit that takes place during school hours where the visit is a compulsory part of a syllabus for a prescribed public examination that the student is being prepared for at the school.

6. Where Charges Can Be Made

6.1. Below we set out what we can charge for:

Education

- Education provided outside school hours if it is non-compulsory.
- Examination entry to a prescribed public examination for which a student has been prepared for by the school if a student fails, without good reason, to meet any examination requirement for a syllabus including failure to attend the exam and/or failure to complete coursework assignments (NEA).
- Examination resit(s), if the student is being prepared for the resit(s) at their request or the request of their parent/carer.
- Examination remark(s), if the remark is being requested by the student.
- Examination entry to a prescribed public examination where the school has not prepared the candidate. For example, if the candidate is not studying at the school or the school does not run the course.
- Materials, books, instruments, or equipment, where the student or their parent/carer wishes the student to own them.

Optional extras

6.2. We are able to charge for activities known as optional extras. In these cases, a charge can be made for providing materials, books, instruments or equipment.

6.3. The following are optional extras:

- Additional education/support/services provided outside of school hours.

- Examination entry fee(s), if the registered student has not been prepared for the examination(s) at the school.
 - Additional course specific materials which are not compulsory.
 - Transport for educational visits that are not compulsory.
 - Board and lodging for a student on a residential trip.
 - Entrance fees e.g. musicals, plays, museums etc.
- 6.4. When calculating the cost of optional extras, an amount may be included in relation to:
- Any materials, books, instruments or equipment provided in connection with the optional extra.
 - The cost of buildings and accommodation.
 - Support staff time.
 - Teaching staff (including supply staff) engaged under contracts for services purely to provide an optional extra.
- 6.5. Any charge made in respect of individual students may not exceed the actual cost of providing the optional extra activity, divided equally by the number of students participating.
- 6.6. It must not therefore include an element of subsidy for any other students wishing to participate in the activity but whose parents/carers are unwilling or unable to pay the full charge.
- 6.7. Furthermore, in cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those students who do not wish to participate. Therefore, no charge can be made for supply teachers to cover for those teachers who are absent from the school accompanying students on a residential trip.
- 6.8. Participation in any optional extra activity will be on the basis of parent/carer choice and a willingness to meet the charges. Parent/carer agreement is therefore a necessary prerequisite for the provision of an optional extra where charges will be made via a parent/carer consent form.

Music tuition

- 6.9. Charges may be made for vocal or instrumental tuition provided either individually, or to groups of any size, provided that the tuition is provided at the request of the student's parent/carer.
- 6.10. Charges may not exceed the cost of the provision, including the cost of the staff providing the tuition.
- 6.11. No charge will be made in respect of a student who is looked after, or was previously looked after, by the local authority (within the meaning of section 22(1) of the Children Act 1989).

7. Withdrawal From A Non-Compulsory Activity

- 7.1. It is permissible for the activity (including educational visit) to be cancelled if insufficient numbers to make the activity viable are secured and/or insufficient funds are raised. If the activity is cancelled any payments received will be refunded in full.
- 7.2. Once an activity becomes viable and payments have been made to a third party¹ to secure the booking, the payment to secure that booking will become non-refundable unless the third party refunds the amount back to the school.

¹ A Third Party is somebody other than the school providing the activity. A Third Party may make a charge for their services to the parents/carers of the students who are released to participate.

- 7.3. In the event that a student wishes to cancel their participation in an activity for any reason (i.e. change of mind, illness, unaffordability etc.) and where a payment has been made, the contribution will be fully refunded except where:
- A payment has been made to a third party to secure the booking and that payment is non-refundable by the third party.
 - An administration charge² has been incurred as part of the booking.
 - The late withdrawal of the contribution results in the activity becoming unviable and the cancellation of the activity is unreasonable.
- 7.4. In these circumstances, where the school is able, a refund less the costs incurred will be made. The school will also endeavour to find another student to take the place and, if successful, will refund the payment in full less any administration charges incurred.
- 7.5. In the event where a late withdrawal (the timescale of which is dependent on the activity) endangers the activity as a whole (i.e. makes the activity unviable) and no other student is available to take the place, the payment will not be refunded.
- 7.6. Where a payment refund is uneconomical to process (i.e. the refund amount is less than the cost to process it) the refund will not be administered.

8. Monitoring

- 8.1. The Chief Operating and Finance Officer monitors charges and remissions, and ensures these comply with this Policy.
- 8.2. This Policy will be reviewed on an annual basis and at every review, the Trust Board will be responsible for approving the Policy.

² An administration charge includes charges made to the school by a Third Party to administer payments and bookings and any costs incurred by the school to administer income procedures including stationery costs.
